

**Week:** Sunday, Jan 6th  
**Text:** Ephesians 5:15-16

Happy New Year and welcome back to life groups!

## **Let's Discuss**

- What is your favorite pass-time? Why?
- Read Ephesians 5:15-16 together.

Pastor Mark talked Sunday about two different concepts of time: Chronos, which describes tick-tock clock in which we measure our lives & Kairos, which are the moments/opportunities given to each of us by God.

- What difference would it make if we viewed our lives from a God-given moment/opportunities concept of time?

Read 2 Corinthians 3:18.

- What opportunities have you had this week to reflect God's glory in your life?
- If our goal is to radiate God's glory more and more, how can we maximize the moments we do have so that we are transformed more and more each day?
