

Week: Sunday, Nov 25th
Text: 1 Peter 3:15

Hope you had a wonderful Thanksgiving last week! Make a plan with your group today, if you haven't already, on how many weeks you will meet in December. We'll supply questions for groups through the week of the 16th and then encourage you to take time off for Christmas. We'll then supply questions starting the week of January 6th.

Give Thanks

- How was your holiday?
- What is one new thing you're thankful for this week? Name a moment, circumstance, or theme in your life that you are thankful.

Get in the Word

- Read 1 Peter 3:15.

As Pastor Mark wrapped up our Unleashing Hope series this last weekend, he used the acrostic:

H - Holiness

O - Obedience

P - Perseverance

E - Expectation

to describe how we live out hope in our own lives.

- What about each of these things exemplifies hope to the world?
- Which of these do you see in someone else in this group?
- Which of these is hardest for you personally?
- Read Hebrews 12:1-3. According to this passage how would you say the characteristics above are worked out in our lives?
- Pray together that we may be bearers of hope in a world that needs it
