

Week: Sunday, Nov 4th
Text: Colossians 3:12-21

It's our hope to encourage an attitude of Thanksgiving in our groups this month so we're hoping you'll start your times together each week after you catch up with a time of giving Thanks.

Give Thanks

- Start your time together giving Thanks. Have folks share something that they are grateful for this week and why?

Get in the Word

- Have you ever had an outfit or piece of clothing that you had a hard time letting go of? (Something out of style, a spouse disliked, your parents didn't like...)
- Read Colossians 3:5-14 together.
- Sunday we talked of unleashing hope in the home. Pastor Mark talked about being a model of joy. In order to do this modeling, we have to die to our earthly nature. Why is this a daily activity?
- When we let these "earthly" things seep back into our home what is the outcome?
- How do we practically clothe ourselves in the things of Christ?
- Read Colossians 3:15-21. What verse stands out to you personally?
- Out of all the verses read in our group today, what's missing in your home?
- Pray with and for one another.
