

Week: Sunday, Feb 3rd
Text: 1 Cor. 6:20

How did you fair with the weather last weekend?

Let's Discuss

- What do you want people to say of you at your funeral?
- Pastor Matt said Sunday our Why is more important than our What. Why we do what we do should inform what we do. The disciples preached, served, and loved others because God loved, served, and preached to them.
- Why should our Why be more important than what we do?
- Why is serving others so significant in our walk with Jesus?
- Read 1 Corinthians 6:20. In what ways are you using your body to honor God?
- Not to brag, but share an experience you've had where you have stopped to serve in someway and how it made you feel?
- What gets in the way of loving/serving others?
- What ways can we get past those things so we can be obedient to Christ's call to love others?
- Pray for and with one another.
