**Text:** Ephesians 2:19-22

## Let's Discuss

- With church services cancelled due to snow, what did your family do?
- While getting together on a Sunday is not mandatory as a Christian, why do you think it is important to gather as a church body weekly? What value does it have for you personally?
- Read Ephesians 2:19-22. A few of you put this into your own words.
- Can “the church” exist without Jesus?
- According to this passage what is one of the purposes of the church? Do we need a building to have a church?
- If Christ dwells in us, what significance does that have for how we live?
- Take some extended time to pray with one another.
