

Week: Sunday, Apr 21st
Text: John 20:24-29

Let's Discuss

- How was your Resurrection Sunday (AKA Easter)?
- If you participated in this weekend's church activities/services, what was most memorable for you and your family?
- Lean into your mutual historical knowledge as a group and take some time recount the ways in which Jesus' resurrection has literally rippled through history.
- Discuss what ways society would be different today had that event not occurred?
- Why does the resurrection matter?
- Because the resurrection did happen, that also means everything Jesus said was true. What implications does that have for our world both believer and non-believer?
- Read the story of Jesus' appearing to Thomas from John 20:24-29.
- What truth for our lives can we glean from this story?
