

**Week:** Sunday, May 12th  
**Text:** John 14:1-6

## Let's Discuss

- Let's start on a light note... If a movie were being filmed about your life and you could choose which actor/actress would you pick to play the role of you? Why?
- Every life has a beginning, a middle, and a definite end. While every life has its different challenges, why does it seem most difficult to talk about the end (death)?
- Read John 14:1-6.
- What encouragement does this passage bring us?
- What ways could many in the world see this verse as a negative thing?
- How should we respond as believers?
- Some say belief in the resurrection is a "crutch". Do you agree with that statement? Why/Why not?
- In what ways does/should the resurrection define how we live our lives?
