Let's Discuss

- What's the nicest thing someone has ever said to you?
- Who is someone in your life that you would deem as a "godly" person?
- What attributes of God shine brightly in their life?
- Read Paul encouraged Timothy in the early days of of Tim's pastoral journey with the words found in the book of Timothy. In chapter six we find some ingredients that stir up godliness in someone's life.
Read 1 Timothy 6:3-16.
- What are some of the things Paul says that false teaching stirs up in the church?
- List some ways false teaching creeps its way into our lives?
- Have you fallen into the trap of wanting more money or "stuff" in your life? Share.
- Why is more never enough?

Pastor Matt shared Paul's words that encouraged us from this text to:

Know when to Run (in regards to temptation in our life)

Pursue the Fruit (godly attributes worked out with exercising)

Move Beyond Belief (trusting the lord in every aspect of life)

Hold to the Eternal (don't let failure define you but the essence of your life point toward Jesus)

- How does God use these things to make us more like him?
- What resonates most with you from where you're at on your journey right now? Why?
- Pray with one another.
