

Week: Sunday, June 9th
Text: 2 Timothy 1:7

Let's Discuss

- Did you ever bring something home to your house as a kid to which your parent/guardian responded, "Get that thing out of here!"? Explain.
- Describe the atmosphere of your household growing up?
- Does the atmosphere of your household now resemble the household of your upbringing? In what ways?

This last Sunday was the day we recognize as the "Day of Pentacost". It was weeks after the resurrection of Jesus in which the followers of Jesus were praying and the Holy Spirit showed up and brought about a power like had never seen before. (Acts 1:1-11)

Paul later describes the attributes of this spirit to Timothy:

- Read 2 Timothy 1:7.
- What difference does having the "power" of the Holy Spirit in our household make?
- What difference does having the "love" of the Holy Spirit in our household make?
- What difference does having the "sound mind" of the Holy Spirit in our household make?
- How is a household defined by Christ different from that of the world?
- Do you think it's easy to forget
