- How would you describe the environment where you live or work? (vs 5)
- What does repentance mean?
- Ever noticed when a dog vomits it usually comes back and eats it's vomit? Why, in our human nature, are we prone to do the same when we repent?
- How do you break the cycle?
- How do we live in the "peace of Christ" when it seems that everyone around us is not interested in that? (vs 7)
