

**Week:** Sunday, July 7th  
**Text:** John 4:27-42

## Let's Discuss

- What are things that fulfill you as a person...things that “fill your tank”?
- Divide and conquer John 4:1-42 together
- We tackled the first half of this text last week, but as a recap, what made Jesus travel through Samaria and conversation with the woman at the well controversial during his time?
- Last week we talked about having conversations like Jesus, can you think of a time this week (or recently) where you felt God’s spirit prompt you to have a conversation with someone? How did that go?
- What’s significant about the woman leaving the jar behind as she left her conversation with Jesus? (vs 28)
- Reread John 4:31-34.
- How can doing God’s will be like the sustenance of food for Jesus? For us?
- Are there some things that are filling, but not fulfilling in life? Like what?
- Get personal, what are those things for you?
- We often live pretty full lives, how do we make room for God’s purpose for us in Jesus?
