Text: Psalm 125

Let's Discuss

- What's the shakiest circumstance you've been in in life?
- Was it easy for you to trust God during that time or hard?

- Read Psalm 125.

- Why does it seem like this verse is easier said than done sometimes?
- What are some things that can make it seem difficult to trust the Lord?

- Pastor Mark used the illustration of a rock climber in a harness with God being the one holding the rope . The terrain may not change during certain periods of life but God's always got us.
- Describe the freedom in this illustration as it compares to our own spiritual freedom.
- Why, ever more, do we need to be reminded of the truth that God's got us as we navigate life?
- There are those that would try to remove themselves from experiencing any difficulty, hardship, or challenge in this life. What's the fault in that?
