

Week: Sunday, Aug 5th
Text: Hebrews 10:19-23

Welcome back to groups! It is both our privilege and responsibility as followers of Christ to continue meeting together to encourage and refine one another to be more like Jesus. It is our hope that these weekly times provide an both an opportunity to be heard but also to listen to what Jesus has for us in these moments through His Word and His followers. These times together should produce fruit in our lives and so let's be bold enough to make sure that is happening.

Catch Up

- What adventures have you had since we last met?
- How has Jesus shown up in your life through His Word, a conversation, or a situation in the last few weeks?
- What burdens are you carrying that this group can help with, in prayer or by other means?
- Take some time to pray with one another as you get started today.

Get in the Word

- Pastor Mark challenged us Sunday with the text of Hebrews 10:19-23 in our walk with Jesus to some pretty crucial things. Have someone read this text aloud twice and do your best to listen to its words.
- What words stand out to you from this text and why?
- Pastor Mark shared these three statements Sunday from this text: 1. Never take lightly what Jesus has done, 2. Be intentional about entering the presence of God, & 3. Live each day with confidence. Which of these do you struggle the most with?
- Read Hebrews 4:15-16. What confidence do we have in approaching God?
- What would cause us to lack this confidence?
- How do we let these two texts we read today continue to challenge us as we part ways today?
