Checking-in

- A few of you: What are you learning in God's Word this week?

Get in the Word

- Hebrews chapter 11 talks about the great many of people that were commended because of their faith in God, sometimes referred to as the "Hall of Faith". Who is someone that had unswerving faith in your life and why do you think that was so?
- With this in mind, read Hebrews 12:1-3.
- Why is it important to seek out those with a tried and true faith as we journey through this life?
- Name a few situations where that might be important to do.
- How do you think we "throw off" the sin that entangles us?
- The author of Hebrews tells us to fix our eyes on Jesus in their metaphor of running a race. Get creative in the metaphor to describe other things we fix our eyes on.
- Why will those things never compare to fixing our eyes on Jesus?
- Jesus is described as the "author" and the "perfecter" of our faith. What do you think that means?
- What are some practical take-aways from this text as we part ways this week?
