

Week: Sunday, Sept 30th
Text: Philippians 3:7-14

Hard to believe we're only 3 months away from the end of the year. It is our hope and prayer that your groups create an anchor point in your week as they start to get busy with the holidays approaching.

Checking-in

- As we start the month of October, what is one thing you're looking forward to in the weeks and months to come?

Get in the Word

- What is the most inspirational thing someone said to you as a kid? (If you can't answer that, who was your hero at age 10?)
- Read Philippians 3:7-14 together.
- Pastor Mark talked Sunday about refocusing on our future as we look unleashing hope in our lives. He said, we have to look at who we're becoming in Christ. How is this reflected in the verse we read today?
- How would you feel if you knew someone you looked up to was praying for your future, including for you to "become"? How does this knowledge energize and stabilize a person?
- How does faith in Jesus help one with this attitude of "becoming"?
- Who in your life believes in you and encourages you?
- Who can you encourage and pray for to "become"?
- What prayer has been answered that we've been praying for over the last few weeks?
